Happy Holidays!

The holidays are upon us again. 'Tis the season for holiday pictures and parties. Now is the time to make memories and share festivities with friends and loved ones. We hope you look and feel healthy during this special time of year. Dr. Parrish and his staff wish you a very Merry Christmas and a very Happy New Year.

REAL PEOPLE, REAL PATIENTS, REAL RESULTS

"I thought about making an appointment for 2 years, and when I finally did, it was just to get information. The staff was great, most professional, so after the initial appointment I was ready to get rid of the inherited neck I had grown to hate and was so self conscious about. I not only had the office support, but great home support as well. Would I do it again? Yes, in a heartbeat!"

Meet Karen, part of our "Real People" campaign. Karen, along with other patients of Dr. Parrish, is part of an advertising campaign that has been in the works for some time. We wanted to bring a more personal feel to our center, and what better way than having our patients share their stories.
